# AEROMIC PRESENTS HOW TO KEEP YOUR AEROMIC IN PEAK CONDITION

Featuring Aero Micki  
& Psycho Mike®

THE OFFICIAL TRAINING MANUAL  
FOR GFMS

DESIGNED TO PERFORM... MADE TO LAST

THE DIFFERENCE BETWEEN OMNI v CARDIOID CAPSULES

BEFORE CLASS...

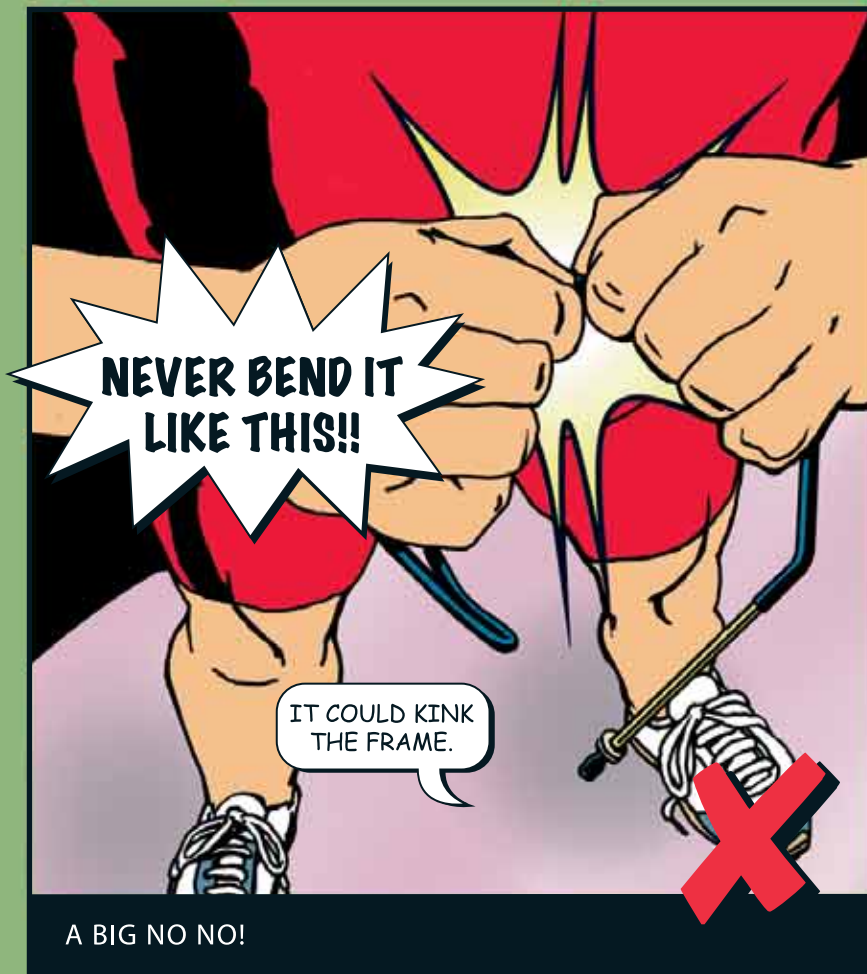

POSITIONING OF THE CAPSULE...

**AERO MICKI SAYS...**

ADJUSTING YOUR AEROMIC...

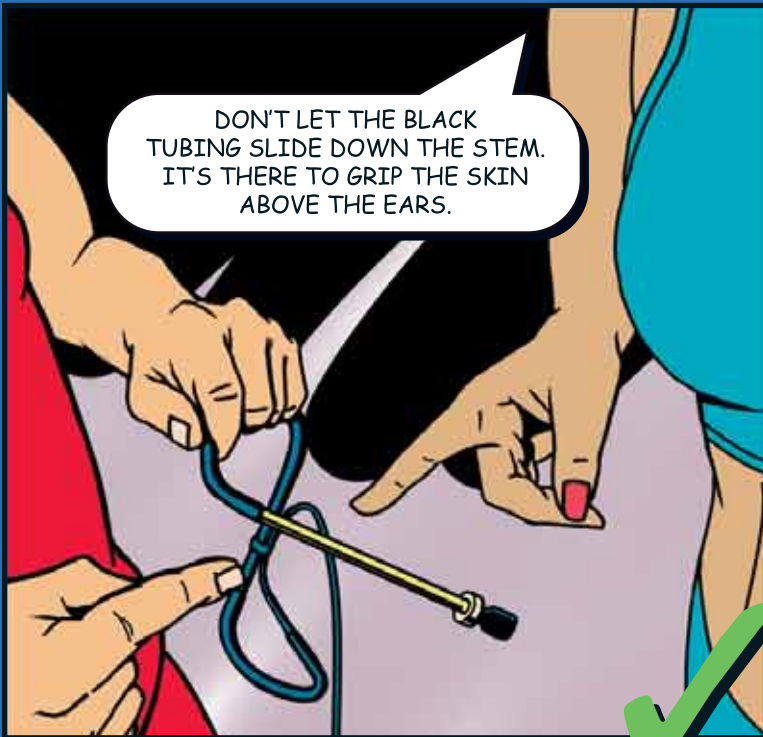

NEVER BEND THE YELLOW STEM

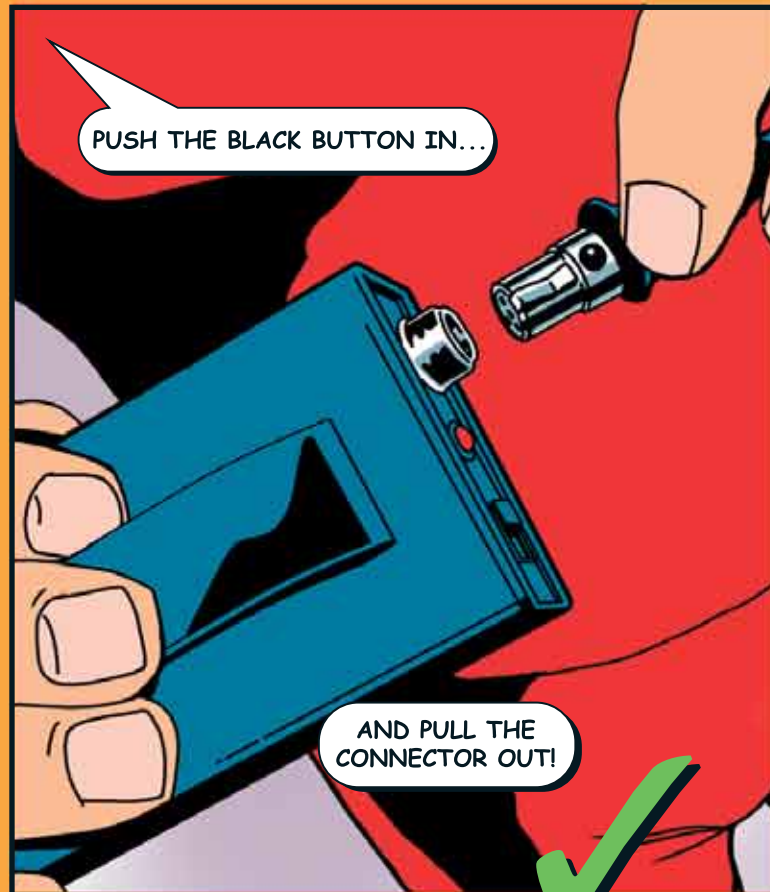

IT'S ALL ABOUT SOUNDING PROFESSIONAL!

KEEP IT IN GOOD SHAPE

KEEP IT CONNECTED, BUT IF YOU HAVE TO, DO IT THIS WAY... BUT DEFINITELY NOT LIKE THIS!!!

INSERTING THE BATTERY THE RIGHT WAY IS IMPORTANT

**NOOOO!!!!!!**  
DON'T USE MOIST WIPES

AND ALCOHOL WILL DISSOLVE THE CAPSULE'S SWEAT PROTECTION

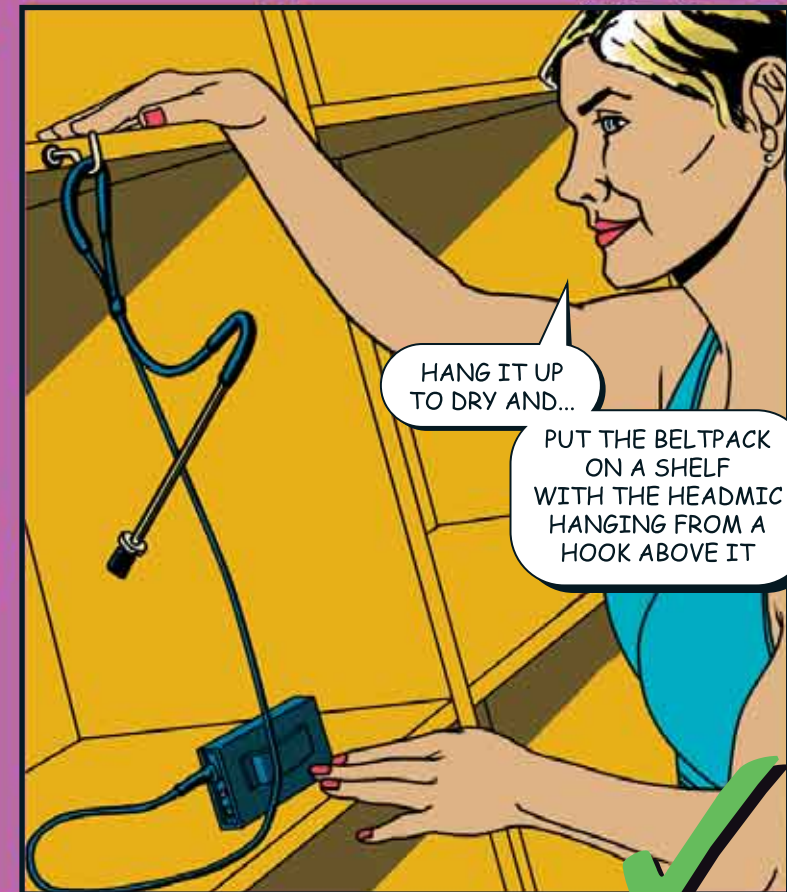

BE CAREFUL HOW YOU WIPE DOWN YOUR AEROMIC AFTER A WORKOUT

DRY WIPE THE AEROMIC BY HOLDING THE TIP AND WIPE AROUND THE FRAME AND DOWN THE CABLE

USE A SWEAT TOWEL TO DRY IT OFF

HANG IT UP TO DRY AND...

PUT THE BELTPACK ON A SHELF WITH THE HEADMIC HANGING FROM A HOOK ABOVE IT

AFTER THE LAST CLASS
